

Based on the Conducted

Technical Assessment

on 02.06.2026

the workshop / maintenance provider

SZ - Vleka in tehnika, d.o.o.
Osojnikova cesta 6
2250 Ptuj
Slovenia

is hereby approved to carry out maintenance activities in accordance with
the **VPI European Maintenance Guide (VPI-EMG)**.

**The exact scope of the approved activities is defined in the
corresponding Confirmation of Competence and is valid only in
conjunction with this document.**

The approval is granted until 31.07.2031

The workshop / maintenance provider is obliged to apply in due time for the
annual surveillance audits as well as for the renewed technical
assessment. Furthermore, VERS must be informed of any significant
organisational or technical changes.
